

# International Travel Health Benefits for Leisure Trips

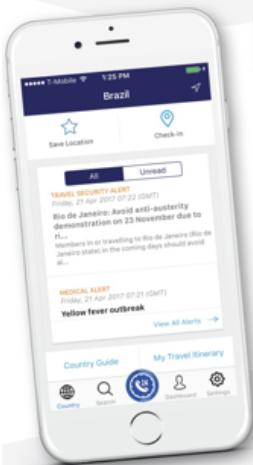

## Helping employees and families stay safe and healthy while traveling abroad

*Simplot's Benefits for International Travelers program provides travel assistance for all full-time active employees who are preparing to travel and while traveling outside the employee's country of residence or permanent assignment. Dependents (spouse/partner or children up to age 26) are also eligible when traveling with the covered employee.*

For questions and assistance, go to [www.InternationalSOS.com](http://www.InternationalSOS.com)  
member log in: **11BMMS000223**  
Or download the App - open smartphone browser and go to [app.internationalsos.com](http://app.internationalsos.com)

## INTERNATIONAL SOS ASSISTANCE APP

Stay informed, healthy and safe  
while traveling abroad

Use the International SOS App  
before and during your next trip for:

1. Click-to-Call the Assistance Center closest to your location
2. Talk to medical and travel security experts for everyday advice and in an emergency
3. Access the latest medical and travel security information for your destination

Download from the app stores or at  
**[app.internationalsos.com](http://app.internationalsos.com)**  
available for:

Key benefits of registering with your @simplot.com email address:

- Access to LiveChat where you can chat with a medical, security or operational specialist 24/7/365
- Access to your travel itinerary
- Receive alerts based on your itinerary

Once you launch the app, tap "New User? Register here"

If you log in using the Simplot membership number, **11BMMS000223**, you can access alerts, country guides, and travel advice, but tapping on personalized features will prompt you to Register (or login if you have created a password previously).

In case of emergency, you can always press the Call for Assistance button without being logged in.

International SOS (ISOS) is the leading global travel assistance resource that can help Simplot employees 24/7 when emergencies or urgent situations occur while traveling outside the home country. ISOS can provide country-specific information, visa and vaccine requirements, translation services, security advisories, coordination of medical and security evacuation, and more. Contact ISOS for questions prior to travel or if encountering any travel or security issues during the trip. From a lost passport or a simple cold, sprain or broken bone, car accident, or serious hospitalization...no issue is too small.

## Contact Information – ISOS global service centers available 24 hours per day, 7 days per week

International SOS can provide safety, medical and security guidance.
