

## SmartTax

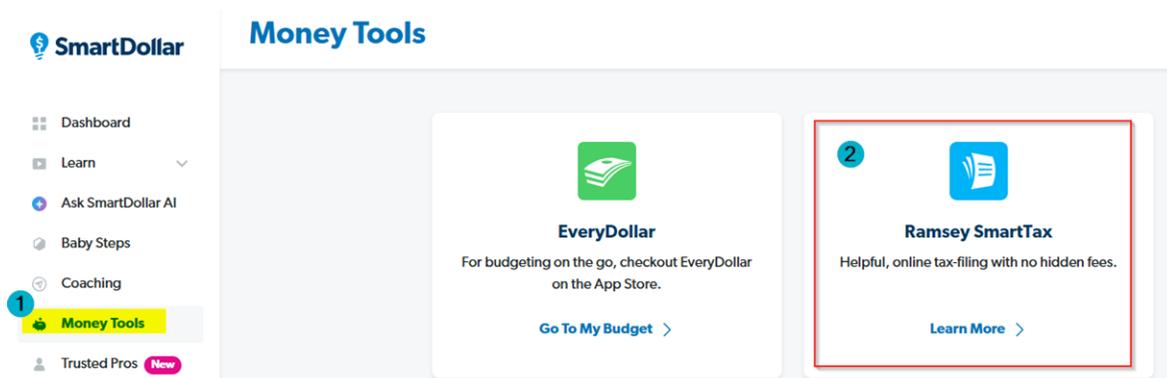

To get the Smart Tax \$0 filing, follow these steps:

1. Log into [SmartDollar](#).
  - a. New user = create your account by clicking Sign Up.
  - b. For existing accounts = click Sign In.

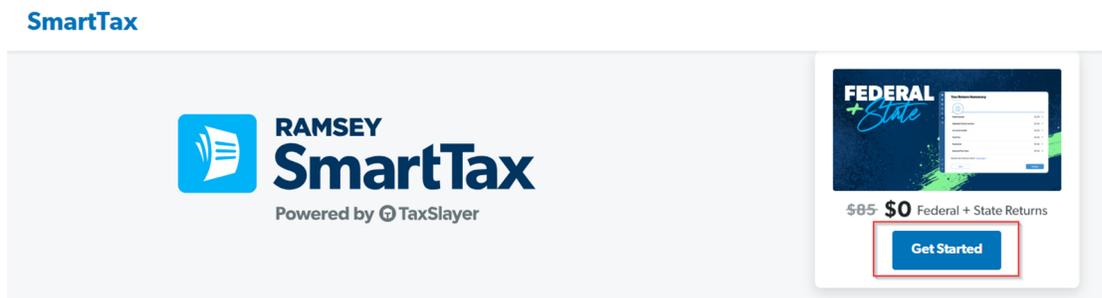

\*If you don't remember if you already have an account, attempt to recover your username/password. **DO NOT** create a new SmartDollar account or a SmartTax account as it won't reflect the discount.

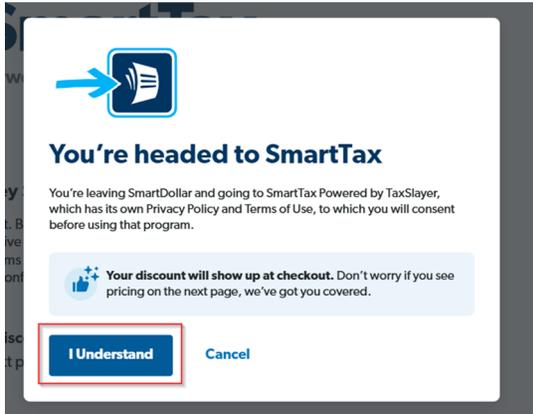

2. Once you are logged in, select Money Tools and then Ramsey SmartTax.

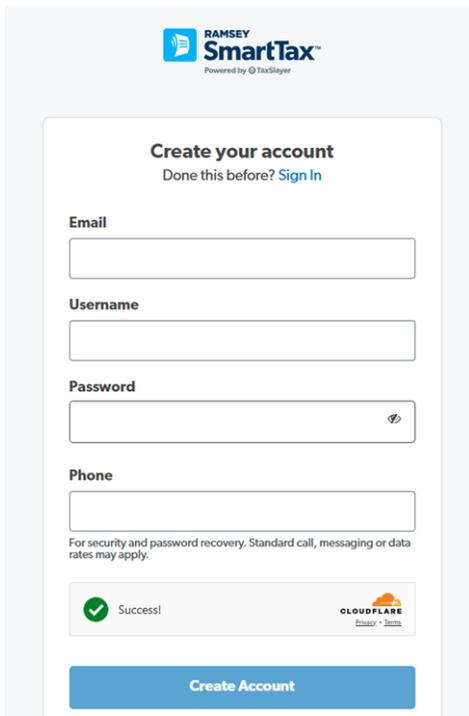

3. Click on Get Started.

4. You will be directed to SmartTax.
  - a. Click I Understand.

5. Log into SmartTax.
  - a. New users = create an account by filling in the information and clicking Create Account.
  - b. Current users = click Sign In and enter your required credentials.

A screenshot of the "Create your account" form on the SmartTax website. The form is titled "Create your account" with a sub-link "Done this before? Sign In". It contains four input fields: "Email", "Username", "Password" (with a toggle for visibility), and "Phone". Below the phone field, there is a note: "For security and password recovery. Standard call, messaging or data rates may apply." At the bottom of the form, there is a "Create Account" button. A success message "Success!" with a green checkmark icon is visible at the bottom left of the form area. The Ramsey SmartTax logo and "Powered by TaxSlayer" are at the top. The Cloudflare logo is at the bottom right of the form area.

6. If the discount is not applied or you have issues logging into your existing account, email [smartdollar.help@ramseysolutions.com](mailto:smartdollar.help@ramseysolutions.com).
